Acrylic ID Card

Product Name: Acrylic ID Card

Category: ID Card

Description:

An **Acrylic ID Card** is a premium and highly durable identification solution made by sandwiching a printed design between two layers of acrylic: a **2mm transparent top sheet** and a **2mm white acrylic base sheet**. These layers are precisely **cut using a CO? laser machine** to create custom shapes and sizes as per requirement.

These cards offer a **stylish, modern look** and are ideal for organizations seeking high-end branding, strong visual appeal, and long-lasting durability.

Key Features :

-
- **Printing :** High-resolution printed design inserted between layers or UV-printed on the back
-
-
- **Thickness :** Approx. 4mm total – gives a solid, premium feel

---

- ? **Premium Look & Feel** – High-gloss finish and crystal-clear appearance
- ? **Fully Customizable** – Any shape, size, or design possible
- ? **Ultra Durable** – Scratch-resistant, waterproof, long-lasting material
- ? **Unique Identity** – Makes your brand or institution stand out
- ? **Laser Precision** – Clean, smooth edges with intricate design capability

Common Uses :

- School / College / Corporate Executive ID Cards
- Government and VIP Badges
- Custom Designer ID Cards
- Reception & Office Display Badges
- Event Staff or Special Guest Passes

Why Choose Acrylic ID Cards?

If you're looking to create an impression of **elegance, strength, and uniqueness**, **Acrylic ID Cards** are the perfect choice. Whether for corporate branding, high-profile events, or luxury identity solutions, these cards combine **style and substance** like no other.

Executive ID Card

Product Name: Executive ID Card

Category: ID Card

Description:

An **Executive ID Card** is a stylish and durable identification card designed with a dual-layer system for a professional and premium appearance. The ID details are printed on **synthetic paper**, then **pasted onto an inner plate**, which is securely **inserted into an outer card holder**. This layered format adds strength, reusability, and an upscale look, making it perfect for corporate and formal environments.

The Executive Card consists of :

- ? **1 Inner Plate** (where the printed ID is pasted)
- ? **1 Outer Holder** (which encases the plate for added protection and aesthetics)

Key Features :

- **Material**: Printed on synthetic paper (tear-resistant & waterproof)
- **Assembly**: Synthetic sheet is pasted on an inner plastic/acrylic plate
- **Holder**: Outer plastic/acrylic holder gives a polished, professional look
- **Size**: Standard ID dimensions (custom sizes possible)
- **Design**: Clean finish with visible name/photo through transparent window

Advantages :

- ? **Premium Appearance** – Ideal for executives, managers, and VIP staff
- ? **Durable Construction** – Protects ID content from wear and tear
- ? **Water & Scratch Resistant** – Especially with high-quality synthetic printing
- ? **Reusable Frame** – Outer holder can be reused by replacing inner plate
- ? **Layered Protection** – Better longevity compared to regular laminated cards

Common Uses:

- School / College / Corporate Staff & Executives
- Government Officers & Admin Staff
- School Principals, Faculty & Management
- VIP Passes for Events & Conferences
- Hospital and Medical Administration Staff

Why Choose Executive ID Cards?

The **Executive ID Card** is the perfect blend of **style, strength, and sophistication**. With its sleek dual-

layer design and professional finish, it’s an excellent choice for individuals in high-responsibility roles or organizations that value a strong visual identity.

PREMIUM ID CARD

Product Name: PREMIUM ID CARD

Category: ID Card

Description:

A **Pasting ID Card** is a cost-effective and widely used identification solution where the ID is printed on **synthetic paper** and **manually pasted into a plastic card holder**. This type of ID card is ideal for educational institutions, NGOs, government programs, and organizations looking for a budget-friendly option without compromising on clarity and presentation.

Key Features :

- **Material**: High-quality synthetic paper (water-resistant and tear-proof)
- **Printing**: Laser or inkjet printed in full color with photo, name, and details
- **Mounting**: Manually pasted into a durable plastic ID card holder
- **Lamination**: Optional – synthetic paper is often already durable enough
- **Size**: Standard ID size to fit perfectly in holders and lanyards

Option :

- ? Single Side – Single Side Print Back Side Plain
- ? Double Side – Front sige ID card dynemic design and back side static design (school building / common matter)

- ?
- ? **Fast Production** – Quick to design, print, and assemble
- ? **Water-Resistant** – Synthetic paper resists moisture and damage

- ? **Customizable** – Easily personalized with photos, logos, QR codes, etc.
- ? **Reusable Holder** – Plastic holders can be reused for new inserts

Common Uses:

- Student & School ID Cards
- NGO Program ID Cards
- Election or Survey Staff IDs
- Event Passes and Visitor Badges
- Temporary Employee IDs
